

## Documents to be provided with an Enrolment Application

When lodging an application for enrolment, the following documentation must be provided and copies can be taken at the front office to include in the Application for Enrolment.

- Child's birth certificate
- Immunisation History statement from Medicare not more than 2 months old
- Proof of residential address – a current utilities bill (eg water, power, gas) or rental agreement
- Parent's passport (if child and/or both parents are not born in Australia)
- If applicable, Visa documentation – a visa grant number and date of arrival is required
- If applicable, a copy of any current Family Court orders

The outcome of all applications will be advised in writing.
