

2026 SCHEDULE OF CONTRIBUTIONS, CHARGES AND OTHER OPTIONAL COSTS

The School Board has endorsed the schedule of Contributions and Charges for 2026.

Financial support provided by parents has always played an enabling role in the provision of resources that extend the school's capacity to add value to students' learning experience by supplementing funding gathered from other sources.

1. Voluntary Contributions - \$60

Applies to all students Kindergarten to Year 6.

2. Charges and Other Optional Costs

Charges are payments that parents are required to pay for their child to participate in events such as excursions, swimming, sports carnivals, in-school events etc. These charges are outlined in the schedule below and are our 'best estimated' maximum costs you could expect to pay if your child took part in every listed program during the year. Charges will be requested at the appropriate time during the year, and prior to your child taking part in each activity. Your timely payment when requested is needed to ensure your child can participate in events.
